## Graduation Speech 2019

Good afternoon, my name is Isaiah Botello.

I want to thank my Mom, Dad and the rest of my family for coming to my Graduation.

I would mostly like to thank my Mom and Dad for being there for me all my life. At J. R. Davis school, I was shy, did not talk to anyone, after I graduated 8th grade I came to Victory High School.

During my 9th and 10th grade, I still did not talk to anyone, until my 11th grade school year.

In the 11th grade I met Richard, he helped me with my work a lot, then that's when everything changed!

I started talking to everyone. You know, Victory changed me, it made me more confident. I started to hang out with good friends.

Richard taught me a lot, and I look at him like a leader, even though he does not like being a leader, he always looks after me and I appreciate that.
